Re: Proposition 84 Integrated Regional Water Management Program
Planning Grant Funding Recommendation List

Dear Mr. Yun:

The Santa Ana Watershed Project Authority (SAWPA) is pleased to be included on the DWR Proposition 84 IRWM Planning Grant Funding Recommendation List. We are very happy with the outcome and fair process that DWR staff used in the evaluation and ranking of proposals. SAWPA fully supports the list of projects and the funding amounts proposed without any changes or modifications.

If we are successfully selected for funding under the program, SAWPA looks forward to working with you and your staff in promptly executing the agreement between the DWR and SAWPA with a potential kick-off of planning activities in January 2011. We appreciate your department's efforts and are excited about working with the State in our next update to the Santa Ana "One Water One Watershed" Integrated Regional Water Management Plan.

Sincerely,

Celeste Cantú
General Manager
